Continued from back cover

The figure shows an architectural floor plan of a building section. The main slab thickness is 4" CONC. SLAB. Thickened footings are indicated as 18" W x 18" D THICKEND FOOTING(TYP.) at various locations. Red arrows point to two specific areas labeled "SLOPE". The plan includes dimensions for the overall width (34'-0") and height (various levels like 11'-0", 12'-0", 13'-0", etc.), as well as internal wall and slab dimensions. Foundation details include C.J. (Column Jack) points and vertical columns.
